

Orthosis	Entitlement
Inlays/Functional Foot Orthoses (insoles)	1 x Pair of insoles per year, which can be refurbished until they are deemed beyond repair by an orthotist.
Adult Footwear	2 x Pairs of footwear so that while one pair is having any required repairs you have one pair remaining to wear. It is your responsibility to keep your footwear in good condition. If they have standard sole and heel units they can be taken to the clobbers but if they have any adaptations you can drop them into us and we will send them off for repair. Footwear will be repaired until they are deemed beyond repair by an orthotist. Following this your footwear will be replaced.
Children's Footwear	1 x Pair at a time due to growth. Please book a review appointment when footwear is becoming small so we can re-measure for a larger size.
Adaptations to your own footwear	2 x Adaptations in the first year, followed by one adaptation per year thereafter.
Knee Ankle Foot Orthoses (KAFO/calliper)	2 x KAFOs so that you have one to wear while the other is being serviced.
Corsets (Lumbar Sacral Orthoses) / Hernia Supports	2 x Corsets/Hernia supports so while one is being washed you have another to wear ( <b>please note that there is an NHS charge for this orthosis</b> ).
Stockings	1 x Stocking/pair of stockings ( <b>please note that there is an NHS charge for this orthosis</b> ). If further stockings are required you will need to see your GP for repeats that can be obtained from your chemist.
Wigs	2 x Acrylic wigs per year or 1 x monotop per year ( <b>please note that there is an NHS charge for this orthosis</b> ).
Miscellaneous	As standard you will receive only 1 of all other orthoses such as collar, spinal brace, ankle foot orthosis, helmet, knee brace etc. However, if your orthotist deems that there is a clinical need for more than one, the appropriate amount will be supplied.
