

Introducing the

NHS Knowledge and Library Hub – WUTH (Helpsheet 5)

Search journal articles, e-books, guidelines and clinical decision tools, **all in one place**.

Go directly to full text, as an immediate download or on request from an NHS library.

Avoid the less-reliable sources you might find in a general web search.

To access the Hub....

Click or scan the QR code! This will then take you to the hub.

Click the 'Search' button from the library home page to start! This will then take you to the hub.

Or if you are on a trust computer you can click this icon from the desktop. This will also take you to the hub.

The screenshot shows the NHS Wirral University Teaching Hospital website. At the top, there is a navigation bar with links for Patients and Visitors, Wirral Women and Children's Hospital, GP, Staff, WUTH Charity, Members, and Accessibility. Below this is a search bar and a menu with options like Our Locations, Our Services, Your Health, Your Options, Choose Us, About Us, Careers, Contact Us, Visiting, and News. The 'Choose Us' menu is expanded to show 'For Library and Knowledge Services'. A sidebar on the left lists various services like FAQs, Using Your Library and Contact Us, Search for Information or Evidence, Literature Search, Document and Book Supply, Specialist Services Overview, Help and Support, and Library News. The main content area features the 'NHS Knowledge and Library Hub' logo, a search bar with the text 'Searching: Health and Care Evidence, from Health Education England', and a 'Search' button. Below the search bar, there is a link to search the library catalogue and a message about COVID-19 measures.

Click the text on the yellow bar to log in with your NHS OpenAthens account.

This lets you see the full resources available to your organisation.

Type your search words in the box and click Search.

You can search for a topic, a journal article/journal title/ a book /ebook

The **Search Options** lets you choose filters to apply before you search.

Go directly to other resources when you know what you need.

For more advanced search options click **Advanced Search**

Change your search

- 1 Add or remove search words in the **Search Box**.
- 2 See your **Search History** to combine results of different searches.
- 3 Alter the search options under **Current Search**.
- 4 Add **Limits** to narrow your results by date, type or other options.

View your results

- 5 Click **Relevance** to sort your results by date.
- 6 **Page Options** lets you change the layout and increase the number of results displayed.
- 7 The **detail** icon  on each result shows you more information.

The screenshot shows the NHS Evidence search interface. At the top, there's a navigation bar with links like 'New Search', 'Journals A-Z', 'Register for NHS OpenAthens', 'LKS Website', 'Sign In', 'Folder', 'Preferences', 'Ask-A-Librarian', 'Language', 'Help', and 'Logout'. The main search area has a 'Keyword' field containing 'covid' (callout 1) and a 'Search' button. Below the search bar are options for 'Basic Search', 'Advanced Search', 'PICO', and 'Search History' (callout 2). The search results page shows 'Search Results: 1 - 20 of 2,325,813'. On the left, there's a 'Current Search' panel (callout 3) with options like 'Apply related words', 'Also search within the full text of the articles', and 'Apply equivalent subjects'. Below that is a 'Limit To' section (callout 4) with checkboxes for 'Full Text', 'Peer Reviewed', and 'AMBER Institutional Repository Only'. There's also a 'From:' and 'To:' date range selector (1838 to 2022) and a 'Show More' link. The main results area shows a 'RESEARCH STARTER' for 'Coronavirus Disease 2019 (COVID-19)' (callout 5) with a 'detail' icon (callout 6). Below it is a search result for '[Long COVID: long-term symptoms and morphological/radiological correlates]' (callout 7) with a 'Request this item' button (callout 9) and a 'Full Text Open Access' button. Another result for '[COVID-19 pandemic and sleep disorders: COVID-somnia]' (callout 8) has 'Access Online' and 'Full Text Open Access' buttons. The bottom result is 'Anxiety Levels and Sleep Quality of Individuals During the COVID-19 Outbreak'. On the right, there's a 'Further Resources' section with links to 'BMJ Best Practice', 'BNF', 'BNFc', 'Google Scholar', 'Kortext NHS Books', 'NHS Learning Hub', 'NICE Evidence Search', 'OXFORD MEDICINE ONLINE', and 'Trip'. At the bottom right, there's an 'In-Depth Searching' section with links to 'AMED', 'British Nursing Index', 'CINAHL', 'Cochrane Library', and 'EMBASE'.

Get the full text

- 8 Clicking **Get PDF**, **PDF Full Text** or **Access Online** will take you to an online copy you can download.
- 9 Clicking **Request this item** will open a request form to send to your library.
