

Date: 9th April 2026

Complete the April People Pulse survey

April's People Pulse survey is now open, giving colleagues the opportunity to share their experiences of working at WUTH.

The survey only takes a few minutes to complete and is a simple way to check in, share feedback and ensure your voice is heard across the organisation. All responses are anonymous.

This month's survey also includes new questions linked to the NHS People Promise element 'We are safe and healthy', helping us better understand how we can support staff wellbeing.

For colleagues who transferred to WUTH under TUPE, please ensure you select Wirral University Teaching Hospital from the drop-down menu when completing the survey.

Thank you to everyone who takes the time to complete the survey and share their views.
