

## What would you like to learn?

This “**Learning at Work**” week is all about you.

We need your help to plan upcoming development opportunities at WUTH. We will use your responses to tailor what will be on offer in the future. Tell us what you’d most like to take part in so that we can support as many staff as possible to gain skills and knowledge in the areas that matter most to you.

Complete the short survey by scanning the QR code or using the link: [What Would You Like to Learn? – Fill in form](#)
