Wards 21 and 22 celebrate Dementia Action Week

Patients, families and colleagues on Wards 21 and 22 came together today to celebrate Dementia Action Week with a special afternoon of music, tea and cakes.

On Ward 21, patients and families enjoyed afternoon tea alongside live music from Larry Weller from Radio Clatterbridge, who played a selection of popular songs from the 1960s and 70s, helping create a warm and uplifting atmosphere on the ward.

Meanwhile, Ward 22 hosted its own celebration with a fantastic spread of afternoon tea and cakes, kindly bought, baked and prepared by Dr Myat Thein and Laura Duerden, Advanced Nurse Practitioner, making the afternoon extra special for patients, families and colleagues.

The celebrations were coordinated by Jenine Kelly, Quality Matron for Dementia, as part of the Trust's support for Dementia Action Week and ongoing work to provide compassionate, person-centred care for patients living with dementia.

The afternoon offered a wonderful opportunity for patients, families and staff to spend time together, share memories and enjoy music and conversation in a relaxed environment.

Thank you to everyone involved in organising the celebrations and to all colleagues who continue to provide such dedicated care and support for our patients and families every day.
