

Date: 10th August 2026

Save the date: Wirral Lymphoedema Study Day

Colleagues are invited to save the date for the Wirral Lymphoedema Study Day, taking place on Tuesday 17th November at Hulme Hall, Port Sunlight.

Jointly hosted by the Lymphoedema and Tissue Viability teams alongside industry partners, the day will bring clinicians from across Wirral together to support best practice in lymphoedema care.

The programme will include expert speakers, the latest guidance, practical workshops and the launch of the Wet Legs pathway, alongside opportunities to network with colleagues.

Look out for booking details coming soon. For more information, contact the Lymphoedema Team on extension 5122 or the Tissue Viability Team on extension 5289.
