Cathy McClarnon, Legal Services Manager

Shout out to Cathy McClarnon, Legal Services Manager. She has been in post for an impressively long time and gathered a great deal of experience, yet still shows up with curiosity and a determination to make her role more effective. The perspective she brings to her immediate duties, as well as the occasional and unusual enquiries that cross her desk, is truly impressive. Thank you, Cathy, on behalf of the many staff and colleagues who have benefited from your wisdom.

Shelia Deegan from the Critical Care Outreach Team

A huge shout out to Shelia Deegan from the Critical Care Outreach Team for her incredible commitment to raising awareness of sepsis. Throughout July, Shelia completed 10,000 steps every day to raise both funds and awareness for Sepsis UK, a cause particularly close to her heart. Shelia and her family have experienced first-hand the devastating impact sepsis can have after her husband. Shelia is also helping to organise the Critical Care Outreach Team's annual World Sepsis Day awareness stand at the hospital's front entrance on Monday 14th September. Mark will once again join the team to share his experience and speak with colleagues and visitors about sepsis. A huge well done to Shelia and the whole Critical Care Outreach Team for their continued dedication to raising awareness of such an important issue.
