

Date: 10th September 2026

Upcoming Fire Warden training dates

Colleagues are reminded of the importance of maintaining appropriate Fire Warden cover across all departments, with further training sessions now available to book.

As part of the Trust's ongoing commitment to maintaining high standards of fire safety, all departments must have a minimum of one trained Fire Warden working per shift, each day.

Managers are encouraged to review Fire Warden arrangements within their areas and identify colleagues who may need to complete the training to ensure suitable cover is maintained.

Upcoming training sessions

All sessions will take place from 10am to 12pm at the Arrowe Park Estates Compound.

- Thursday 29th October 2026
- Thursday 26th November 2026
- Thursday 10th December 2026
- Thursday 21st January 2027

Each session is limited to 12 colleagues, so staff are encouraged to book early if they require training.

Fire Wardens play an important role in supporting fire safety within their areas and helping departments remain prepared in the event of an emergency.

To book onto one of the available sessions, please email laura.griffiths34@nhs.net, stating which date you would like to attend.

Thank you to colleagues for continuing to support fire safety measures across the Trust.

Fire Warden Training

Colleagues are reminded that all departments must have at least one trained Fire Warden working per shift, each day.

Further training sessions are available for colleagues to attend.

Upcoming training dates
10:00am – 12:00pm
Arrowe Park Estates Compound

Thursday 29 October 2026	Thursday 26 November 2026	Thursday 10 December 2026	Thursday 21 January 2027
--	---	---	--

Each session is limited to **12 colleagues**.

For managers
Please review cover arrangements and email
Laura Griffiths to book colleagues onto a suitable session.
