Electoral Reform Services can confirm that, as far as reasonably practicable, every person whose name appeared on the electoral roll supplied to us for the purpose of the ballot:-

- a) was sent the details of the ballot and
- b) if they chose to participate in the ballot, had their vote fairly and accurately recorded

The elections were conducted in accordance with the rules and constitutional arrangements as set out previously by the Trust, and ERS is satisfied that these were in accordance with accepted good electoral practice.

All voting materials will be stored for twelve months.
