

Accessing Electronic Journals via ScienceDirect

Look for the journal you want via Evidence Search. (For help with searching for journals use *Library Helpsheet No 2: How do I obtain the full text of a journal article*) If the item you want is delivered via the ScienceDirect platform, select the link to Elsevier ScienceDirect Journals'.

Registering

If you have never registered with Science Direct before:

1. You will see this in the top right-hand corner of the screen.
2. Select 'My account' then 'Personalize my account'
3. Complete the registration form with your details and select 'Register'. When you get a 'Personalization Successful' message select Continue.
4. You can now access any available full-text content. Now each time you log in to Open Athens and access Science Direct your name will appear in the top right-hand corner of the screen.

Accessing full text

Search for your journal title here.

The links on the right-hand side of the screen describe the levels of full-text availability for each title.

When you have selected your title, articles available in full-text display a PDF option.

Select the PDF icon to view, print or download.
